Pick-ups: We call you when your order is ready and hold it for 1 quarter or by special arrangement.

3 weeks prior to shipment we e-mail you a “pre-ship alert” of our selections and specials – you’ll have a specific date to respond with additional purchases, changes in specific shipping instructions or to update billing information. You then can add to your order, which saves shipping cost-per-bottle. Note: If you are NOT receiving our wine club e-mails, then we need your current E-mail address! Please check if the email is being blocked as “spam”.

Please stay current with ALL information:

1. E-mail address - needed for the “pre-ship alert” .  
UPS/FEDEX will e-mail your Tracking Number when shipment goes out.  
You can manage special handling/hold at depot options.
2. Credit Card Information, billing address, shipping address, or phone numbers.  
This information helps expedite your shipment.
3. Planning to travel? Please give us plenty of notice. We can make alternate shipping arrangements, but if your wine is returned to us, you’ll be charged again for shipping.
